

REQUEST FOR SCHOOL ELECTION CONSOLIDATION
Resolutions To Consolidate Must Be Adopted At Least 60 Days Prior To The Election
Deadline is Friday March 8, 2019.

The Ovid-Elsie School District has called an election to be held on May 7, 2019. There are twenty-five (25) registered voters for that school district in my jurisdiction. There are no other federal or state or county issues on that ballot for my jurisdiction.

Therefore, I am requesting those school district voters be consolidated with voters in Duplain Township, Clinton County jurisdiction. I have contacted the clerk of that jurisdiction and they have consented to manage my voters for this one election. Washington Township Clerk will provide Absentee Ballots and same day voter registrations with extended office hours on the Saturday before the election, May 4, 2019 from 7:00 am to 3:00 pm.

I agree to provide written notice to those voters of the polling place change, including the address and directions to the new location along with contact information for the clerk of that jurisdiction for this one election. I also agree to provide Absentee Ballots and same day voter registrations with extended office on Saturday before the election, May 4, 2019 from 7:00am to 3:00 pm. My office will also be open to process same day voter registrations and issue absent voter ballots to those voters if they choose not to go to the polls on May 7, 2019 from 7:00am to 8:00pm. My office is located at 7338 S Crapo Rd., Ashley, Michigan.

Additionally, on the day of the election I agree to post a notice of the polling place location change and provide directions to the new polling place location.

I understand that the County Election Commission will review my request and if approved, sign a resolution to the same. The resolution must be adopted at least 60 days before the election.
