

SEPTEMBER 5, 1990

TO THE GRATIOT COUNTY COMMISSIONERS:

This letter concerns the county wide Junk and blight ordinance that is being discussed. Washington Township is against such an ordinance. The Township Board feel that the County should not force Townships to participate in something they have not implemented. We feel that this type of ordinance should be left up to the Townships to adopt if they think it necessary, especially Townships with their own zoning.

WASHINGTON TOWNSHIP BOARD

SUPERVISOR Carol Bean
CLERK Marilyn Whitford
TREASURER Ruth Whaley
